MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Request for Secure Area in Rooms 5013 and

5D0119

1. SR Division has been notified that it must vacat space in B corridor, fifth floor headquarters building, to accommodate the Office of Special Activities, DD/R. A pa of the space being vacated is secure area that presently houses the of SR Division This branch handles the more sensitive activities of SR Division and is the Divisional focal point for storage of material. The of SR Division is also housed in tais area.

2. After discussion with the architects and engineer in Space, Maintenance and Facilities Branch, Office of Logistics, it was agreed that the space in rooms 5013 and 500119 would best lend itself to modification into a secur area at less expense to the Agency. Therefore, in order accomplish this move in the most economical and efficient manner and to provide adequate secure area space for the mentioned above, it is requested that approval be granted acdify this space into a secure area.

For any further information concerning this matte it is suggested that DC/SR/ be cont ed on extension Chief, SR Division CONCURRENCES: Unior, Records sanagement SVA-DD/S Office of Security Office of Logistics APPROVED: Date Dist: Orig & 2 - Addressee

Approved For Release 2005/11/21: CIA-RDP70-00211R000500240028-9

1 - C/SR, 1 - SR/LOG
